

TV 26 COMMUNITY FOCUS

For our ongoing "A TIME OUT FOR KIDS" Program Series, Today we invited three first grade classes from the Springfield City School System, Perrin Woods Elementary students to the studio to go on a tour, participate in several studio productions with "Pluggy" the Robotic Fire Hydrant, and learn what happens when TV programs are produced. Over 60 students overflowed the station and everyone had a good time. The topics Pluggy covered included Fire Safety at home and in school, What to do when you hear a Fire Alarm or a Smoke Detector, How to call the fire Department, The difference between toys and tools, How to draw the rooms of your house and make a fire escape plan, and Much, much more. Pluggy had several children come up to the stage and demonstrate what to do when there is a fire, they also learned how to check their homes for hazards and to put cool water on a burn. After the programs they all had Pizza with Fireman Bob and the staff at TV 26. Fireman Bob gave coloring books and stickers to everyone and we gave them special gifts as well.

TV 26 COMMUNITY FOCUS

Actually the D.A.R.E. series addressed three of our top 10 Springfield Community Problems. Drug Abuse which is number 1, Alcoholism which is number 5 and Youth which is ranked number 10. Today as part of our series we visited Horace Mann Elementary School and talked with Sgt. Compton the D.A.R.E. instructor, Mrs. Pat Arnold, the childrens teacher and Mr. Knowlton the Principal of Horace Mann School. We talked with each student in the 5th grade class and they told us what they liked about the D.A.R.E. program as well as what they learned about drug abuse and peer pressure from the program. Sgt. Compton explained the D.A.R.E. program, what DARE America, and how long DARE has been in existence. We learned what is taught in the D.A.R.E. curriculum, what the curriculum is for kindergarten through 4th grade and who wrote the curriculum. We also discussed how schools can get involved with the D.A.R.E. program, and why police officers teach the course. In closing Sgt. Compton told us how the program is funded and how donations are used.
